**I. SUMMARY**

1. This is a civil rights action by plaintiff FRANCISCA MORALES (“Plaintiff”) for discrimination at the building, structure, facility, complex, property, land, development, and/or surrounding business complex known as:

Lowe’s  
5503 Lone Tree Way  
Antioch, CA 94531  
(hereafter “the Facility”)

2. Plaintiff seeks damages, injunctive and declaratory relief, attorney fees and costs, against LOWE’S HOME CENTERS, LLC dba LOWE’S; and DS FOUNDERS, LLC (hereinafter collectively referred to as “Defendants”), pursuant to Title III of the Americans with Disabilities Act of 1990 (42 U.S.C. §§ 12101 et seq.) (“ADA”) and related California statutes.

**II. JURISDICTION**

3. This Court has original jurisdiction under 28 U.S.C. §§ 1331 and 1343 for ADA claims.

4. Supplemental jurisdiction for claims brought under parallel California law – arising from the same nucleus of operative facts – is predicated on 28 U.S.C. § 1367.

5. Plaintiff’s claims are authorized by 28 U.S.C. §§ 2201 and 2202.

**III. VENUE**

6. All actions complained of herein take place within the jurisdiction of the United States District Court, Northern District of California, and venue is invoked pursuant to 28 U.S.C. § 1391(b), (c).

**IV. PARTIES**

7. Defendants own, operate, and/or lease the Facility, and consist of a person (or persons), firm, and/or corporation.

8. Plaintiff suffers from rheumatoid arthritis and is substantially limited in her ability to walk, requiring her to use a wheelchair for mobility. Consequently, Plaintiff is “physically disabled,” as defined by all applicable California and United States laws, and a member of the public whose rights are protected by these laws.

**V. FACTS**

9. The Facility is open to the public, intended for non-residential use, and its operation affects commerce. The Facility is therefore a public accommodation as defined by applicable state and federal laws.

10. Plaintiff lives near the Facility and visited the Facility on or about April 21, April 29, June 16, July 7, July 28, August 2, August 5, August 15, August 30, September 4, and November 8, 2016, for the purpose of shopping. During her visit to the Facility, Plaintiff encountered the following barriers (both physical and intangible) that interfered with, if not outright denied, Plaintiff’s ability to use and enjoy the goods, services, privileges and accommodations offered at the Facility:

a) On or about July 28, 2016 Plaintiff parked in a designated accessible

1 parking stall at the Facility. There were carts stored within the access  
2 aisle, which made it difficult for her to make her way along the marked  
3 route of travel toward the entrance. When she left the Facility there were  
4 more carts stored within the marked route of travel to reach her vehicle,  
5 forcing her to travel outside of the marked route of travel and around a  
6 traffic island, within close proximity to passing vehicles, which caused  
7 her concern for her safety. When Plaintiff arrived at her vehicle the  
8 access aisle adjacent to her passenger door was now obstructed by carts.  
9 Plaintiff was not able to deploy her ramp to load her wheelchair into her  
10 van due to the lack of sufficient clear space. She called out to a Facility  
11 employee for assistance, and while she was waiting a passerby helped  
12 her move the carts so she could deploy her ramp, which was  
13 embarrassing. When the Facility employee arrived, the employee  
14 informed Plaintiff that his boss had instructed him to store the carts  
15 within the access aisle.

16 b) On or about November 8, 2016 Plaintiff could not park in the van  
17 accessible parking space that has a marked path of travel leading from it  
18 to the entrance of the Facility which she wanted to use because there  
19 were carts in the loading zone, and so she knew she would not be able to  
20 get out of her vehicle. Plaintiff instead used a van accessible parking  
21 space that does not have a marked path of travel leading from it to the  
22 entrance of the Facility. There was a cart blocking her route of travel  
23 from this space to the entrance of the store, which in addition to the lack  
24 of a marked crosswalk on the path of travel to the entrance of the store,  
25 Plaintiff found difficult to maneuver around.

26 c) On or about April 21, April 29, June 16, July 7, July 28, August 2,  
27 August 5, August 15, August 30, and September 4, 2016, after crossing  
28 the marked crosswalk towards the entrance of the Facility Plaintiff

1 encountered a yellow chain which blocked her from continuing along  
2 the marked route of travel. She had to travel to the left, around a large  
3 movable sign, and in the path of vehicular traffic to get into the Facility.

4 d) On or about July 28, August 2, and November 8, 2016, the unisex  
5 restroom door was heavy and difficult for Plaintiff to open. She  
6 struggled to open the door when entering and exiting the room.

7 e) On or about July 28, August 2, and November 8, 2016, Plaintiff was  
8 prevented from using the toilet seat covers in the unisex restroom  
9 because the dispenser was too high for her to reach. She felt  
10 uncomfortable as she used the toilet in the restroom without a cover.

11 f) On or about July 28, August 2, and November 8, 2016, the soap and  
12 paper towel dispensers in the restroom were too high and did not have  
13 enough clear floor space for Plaintiff's wheelchair to pull close enough,  
14 which prevented Plaintiff from reaching them. She had to forego  
15 washing her hands, which made her uncomfortable.

16 g) On or about July 7, July 28, and August 15, 2016, the card reader on the  
17 transaction counter was low enough for Plaintiff to put her card in, but  
18 she was unable to read the prompts on the screen because the screen was  
19 fixed in a horizontal position and was too high for her to see from her  
20 wheelchair. The clerk had to read the prompts to her and push the  
21 buttons for her, which was embarrassing.

22 h) On or about August 2, August 15, and September 4, 2016, there were  
23 cars parked in a loading zone that runs along the front of the Facility and  
24 along a portion of Plaintiff's route of travel back to her own vehicle. To  
25 get from the Facility's entrance to Plaintiff's own vehicle while there  
26 were vehicles parked in this loading zone, Plaintiff had to either travel  
27 through the loading zone which forces her to navigate in between cars  
28 parked in the loading zone that are having items loaded into them, or she

1 had to travel around the outside of the loading zone by traveling along  
2 the road in between the Facility and the parking lot which has traffic  
3 moving through it. Additionally, the vehicles parked in this loading zone  
4 blocked Plaintiff's line of vision, and so she had difficulty seeing  
5 oncoming traffic while crossing the road in between the Facility and the  
6 Parking lot.

7 11. The barriers identified in paragraph 10 herein are only those that Plaintiff  
8 personally encountered. Plaintiff is presently unaware of other barriers which may in fact exist  
9 at the Facility and relate to her disabilities. Plaintiff will seek to amend this Complaint once  
10 such additional barriers are identified as it is Plaintiff's intention to have all barriers which  
11 exist at the Facility and relate to her disabilities removed to afford her full and equal access.

12 12. Plaintiff was, and continues to be, deterred from visiting the Facility because  
13 Plaintiff knows that the Facility's goods, services, facilities, privileges, advantages, and  
14 accommodations were and are unavailable to Plaintiff due to Plaintiff's physical disabilities.  
15 Plaintiff enjoys the goods and services offered at the Facility, and will return to the Facility  
16 once the barriers are removed.

17 13. Defendants knew, or should have known, that these elements and areas of the  
18 Facility were inaccessible, violate state and federal law, and interfere with (or deny) access to  
19 the physically disabled. Moreover, Defendants have the financial resources to remove these  
20 barriers from the Facility (without much difficulty or expense), and make the Facility  
21 accessible to the physically disabled. To date, however, Defendants refuse to either remove  
22 those barriers or seek an unreasonable hardship exemption to excuse non-compliance.

23 14. At all relevant times, Defendants have possessed and enjoyed sufficient control  
24 and authority to modify the Facility to remove impediments to wheelchair access and to  
25 comply with the 1991 ADA Accessibility Guidelines and/or the 2010 ADA Standards for  
26 Accessible Design. Defendants have not removed such impediments and have not modified the  
27 Facility to conform to accessibility standards. Defendants have intentionally maintained the  
28 Facility in its current condition and have intentionally refrained from altering the Facility so

1 that it complies with the accessibility standards.

2 15. Plaintiff further alleges that the (continued) presence of barriers at the Facility is  
 3 so obvious as to establish Defendants' discriminatory intent. On information and belief,  
 4 Plaintiff avers that evidence of this discriminatory intent includes Defendants' refusal to adhere  
 5 to relevant building standards; disregard for the building plans and permits issued for the  
 6 Facility; conscientious decision to maintain the architectural layout (as it currently exists) at the  
 7 Facility; decision not to remove barriers from the Facility; and allowance that Defendants'  
 8 property continues to exist in its non-compliant state. Plaintiff further alleges, on information  
 9 and belief, that the Facility is not in the midst of a remodel, and that the barriers present at the  
 10 Facility are not isolated or temporary interruptions in access due to maintenance or repairs.

## 11 VI. FIRST CLAIM

### 12 Americans with Disabilities Act of 1990

#### 13 Denial of "Full and Equal" Enjoyment and Use

14 16. Plaintiff re-pleads and incorporates by reference the allegations contained in  
 15 each of the foregoing paragraphs, and incorporates them herein as if separately re-pled.

16 17. Title III of the ADA holds as a "general rule" that no individual shall be  
 17 discriminated against on the basis of disability in the full and equal enjoyment (or use) of  
 18 goods, services, facilities, privileges, and accommodations offered by any person who owns,  
 19 operates, or leases a place of public accommodation. 42 U.S.C. § 12182(a).

20 18. Defendants discriminated against Plaintiff by denying Plaintiff "full and equal  
 21 enjoyment" and use of the goods, services, facilities, privileges and accommodations of the  
 22 Facility during each visit and each incident of deterrence.

23 //

#### 24 Failure to Remove Architectural Barriers in an Existing Facility

25 19. The ADA specifically prohibits failing to remove architectural barriers, which  
 26 are structural in nature, in existing facilities where such removal is readily achievable. 42  
 27 U.S.C. § 12182(b)(2)(A)(iv).

28 20. When an entity can demonstrate that removal of a barrier is not readily

1 achievable, a failure to make goods, services, facilities, or accommodations available through  
 2 alternative methods is also specifically prohibited if these methods are readily achievable. Id.  
 3 § 12182(b)(2)(A)(v).

4 21. Here, Plaintiff alleges that Defendants can easily remove the architectural  
 5 barriers at the Facility without much difficulty or expense, and that Defendants violated the  
 6 ADA by failing to remove those barriers, when it was readily achievable to do so.

7 22. In the alternative, if it was not “readily achievable” for Defendants to remove  
 8 the Facility’s barriers, then Defendants violated the ADA by failing to make the required  
 9 services available through alternative methods, which are readily achievable.

#### 10 Failure to Design and Construct an Accessible Facility

11 23. Plaintiff alleges on information and belief that the Facility was designed and  
 12 constructed (or both) after January 26, 1993 – independently triggering access requirements  
 13 under Title III of the ADA.

14 24. The ADA also prohibits designing and constructing facilities for first occupancy  
 15 after January 26, 1993, that aren’t readily accessible to, and usable by, individuals with  
 16 disabilities when it was structurally practicable to do so. 42 U.S.C. § 12183(a)(1).

17 25. Here, Defendants violated the ADA by designing and constructing (or both) the  
 18 Facility in a manner that was not readily accessible to the physically disabled public –  
 19 including Plaintiff – when it was structurally practical to do so.<sup>1</sup>

#### 20 Failure to Make an Altered Facility Accessible

21 26. Plaintiff alleges on information and belief that the Facility was modified after  
 22 January 26, 1993, independently triggering access requirements under the ADA.

23 27. The ADA also requires that facilities altered in a manner that affects (or could  
 24 affect) its usability must be made readily accessible to individuals with disabilities to the  
 25 maximum extent feasible. 42 U.S.C. § 12183(a)(2). Altering an area that contains a facility’s  
 26 primary function also requires making the paths of travel, bathrooms, telephones, and drinking  
 27 fountains serving that area accessible to the maximum extent feasible. Id.

28 <sup>1</sup> Nothing within this Complaint should be construed as an allegation that Plaintiff is bringing this action as a private attorney general under either state or federal statutes.

1           28.     Here, Defendants altered the Facility in a manner that violated the ADA and  
2 was not readily accessible to the physically disabled public – including Plaintiff – to the  
3 maximum extent feasible.

4                               Failure to Modify Existing Policies and Procedures

5           29.     The ADA also requires reasonable modifications in policies, practices, or  
6 procedures, when necessary to afford such goods, services, facilities, or accommodations to  
7 individuals with disabilities, unless the entity can demonstrate that making such modifications  
8 would fundamentally alter their nature. 42 U.S.C. § 12182(b)(2)(A)(ii).

9           30.     Here, Defendants violated the ADA by failing to make reasonable modifications  
10 in policies, practices, or procedures at the Facility, when these modifications were necessary to  
11 afford (and would not fundamentally alter the nature of) these goods, services, facilities, or  
12 accommodations.

13                               Failure to Maintain Accessible Features

14           31.     Defendants additionally violated the ADA by failing to maintain in operable  
15 working condition those features of the Facility that are required to be readily accessible to and  
16 usable by persons with disabilities.

17           32.     Such failure by Defendants to maintain the Facility in an accessible condition  
18 was not an isolated or temporary interruption in service or access due to maintenance or  
19 repairs.

20           33.     Plaintiff seeks all relief available under the ADA (i.e., injunctive relief, attorney  
21 fees, costs, legal expense) for these aforementioned violations. 42 U.S.C. § 12205.

22     //

23     //

24                               **VII.   SECOND CLAIM**

25                               **Unruh Act**

26           34.     Plaintiff re-pleads and incorporates by reference the allegations contained in  
27 each of the foregoing paragraphs, and incorporates them herein as if separately re-pled.

28           35.     California Civil Code § 51 states, in part, that: All persons within the

jurisdiction of this state are entitled to the full and equal accommodations, advantages, facilities, privileges, or services in all business establishments of every kind whatsoever.

36. California Civil Code § 51.5 also states, in part that: No business establishment of any kind whatsoever shall discriminate against any person in this state because of the disability of the person.

37. California Civil Code § 51(f) specifically incorporates (by reference) an individual's rights under the ADA into the Unruh Act.

38. Defendants' aforementioned acts and omissions denied the physically disabled public – including Plaintiff – full and equal accommodations, advantages, facilities, privileges and services in a business establishment (because of their physical disability).

39. These acts and omissions (including the ones that violate the ADA) denied, aided or incited a denial, or discriminated against Plaintiff by violating the Unruh Act.

40. Plaintiff was damaged by Defendants' wrongful conduct, and seeks statutory minimum damages of \$4,000 for each offense.

41. Plaintiff also seeks to enjoin Defendants from violating the Unruh Act (and ADA), and recover reasonable attorneys' fees and costs incurred under California Civil Code § 52(a).

### **VIII. THIRD CLAIM**

#### **Denial of Full and Equal Access to Public Facilities**

42. Plaintiff re-pleads and incorporates by reference the allegations contained in each of the foregoing paragraphs, and incorporates them herein as if separately re-pled.

43. Health and Safety Code § 19955(a) states, in part, that: California public accommodations or facilities (built with private funds) shall adhere to the provisions of Government Code § 4450.

44. Health and Safety Code § 19959 states, in part, that: Every existing (non-exempt) public accommodation constructed prior to July 1, 1970, which is altered or structurally repaired, is required to comply with this chapter.

45. Plaintiff alleges the Facility is a public accommodation constructed, altered, or

1 repaired in a manner that violates Part 5.5 of the Health and Safety Code or Government Code  
2 § 4450 (or both), and that the Facility was not exempt under Health and Safety Code § 19956.

3 46. Defendants' non-compliance with these requirements at the Facility aggrieved  
4 (or potentially aggrieved) Plaintiff and other persons with physical disabilities. Accordingly,  
5 Plaintiff seeks injunctive relief and attorney fees pursuant to Health and Safety Code § 19953.

6 **IX. PRAYER FOR RELIEF**

7 WHEREFORE, Plaintiff prays judgment against Defendants, and each of them, for:

- 8 1. Injunctive relief, preventive relief, or any other relief the Court deems proper.
- 9 2. Statutory minimum damages under section 52(a) of the California Civil Code  
10 according to proof.
- 11 3. Attorneys' fees, litigation expenses, and costs of suit.<sup>2</sup>
- 12 4. Interest at the legal rate from the date of the filing of this action.
- 13 5. For such other and further relief as the Court deems proper.
